The NERO LARP office is proud to announce the opening of its newest NERO LARP Chapter in Nova Scotia, Canada, NERO Armonia!

NERO Armonia is owned by Donovan Thibodeau, Mark Pothier and Jenn De Viller and will be using the NERO LARP Rule Book 9th Edition, available in PDF as a free download.

The owners have collectively been involved with NERO for over 15 years in different formats and plan to be the most entertaining and fun NERO chapters around. The owners have significant training in Hospitality, Game Mastering, Management, and have big plans to expand the NERO format around the Atlantic provinces.

The NERO Armonia Creative Department consists of Donovan Thibodeau, Mark Pothier and Jenn De Viller as the Lead Directors; with Adam Hendry, Ian Petley, and Andrew Rafters as part of the Core Plot Team. As well, many others play important roles in supporting Nero Armonia events.

The NERO LARP Chapter is based out of Camp Kidston, which is located in the northeast corner of Halifax Regional Municipality, in Musquodoboit, Nova Scotia.

NERO Armonia will be running a pilot event, beginning on June 15th and continuing on until June 17th 2012. Others events are slated for later in the year.

Promotional efforts will primarily include internet and social media, as well as word-of-mouth and grassroots efforts: including local game convention attendance, and active NERO LARP promotion at events. NERO Armonia will also be attending the Shelleighla Festival, June 23rd & 24th 2012 at Cole Harbour Place, Dartmouth, Nova Scotia, as well as the HalCon Sci-Fi, Fantasy & Comic Convention, on Oct 26th-28th 2012.
