The NERO LARP office is proud to announce the opening of its newest NERO LARP Chapter in the Columbus Nebraska area, Nero RIZEN!

NERO RIZEN is owned by Carol Smith and will be using the NERO LARP Rule Book 9th Edition which is available in PDF as a free download.

Carol Smith has played NERO in the VA. Area for nearly 3 years and since moving to Nebraska has been working hard to bring NERO back to Nebraska for everyone to enjoy!

The NERO RIZEN LARP Chapter is based out of Columbus Nebraska with three events in 2013 already scheduled at Camp Moses Merrill (<http://www.campmerrill.com/>)

Promotional efforts will primarily include a NERO Nebraska website and social media group that are all meant to support a heavy word-of-mouth campaign in the Columbus Nebraska area.

Carol is very happy to bring NERO LARP productions to the Columbus Nebraska area, and she's equally excited about turning her dream of owning a NERO LARP Chapter into a reality.

Please join us in welcoming Carol Smith and NERO Nebraska to the NERO LARP Organization.
